

WONDER PACK

Instructions

MATERIALS NEEDED:

- Cardstock
- Paint Brush
- Bubble Wrap
- Various colors of paint

HOW TO DO...

Step 1: Place the sheet of bubble wrap on the table, bubble side up.

Step 2: Using various colors of paint, paint the bubble wrap using a paintbrush. Make stripes, a pattern, or random paint splotches.

Step 3: Once you have filled the bubble wrap with colors, place the bubble wrap on the cardstock. Press firmly down with your hands to transfer the print from the bubble wrap to the paper.

Step 4: Carefully lift the paper from the bubble wrap sheet.

Step 5: Repeat steps 3 and 4 until the paper is filled.

WHAT DOES THIS ACTIVITY DO?

- Bubble wrap is an easy way to explore your senses at any age!
- Pop some of the bubbles and feel the texture of the bubble wrap with your child to work on fine motor skills and touch sensory.
- Explore color mixing when painting the bubble wrap. What colors did you make?
- Printmaking teaches children about cause and effect.
- Manipulating a paintbrush enhances fine motor skills.
